## **EXTRAORDINARY GENERAL MEETING – 18<sup>th</sup> December 2017**

Dear Member,

The Committee has resolved to apply to HMRC for registration as a CASC (Community Amateur Sports Club). In this regard, an EGM is required and has been arranged on the above date. This is the sole purpose of the EGM but it requires substantial changes to our organisational structure and our constitution.

The enclosed notice provides details of the resolution. The related documents are available in the clubhouse and on the club web site. Please take time to review the content, so that you are fully informed.

I would encourage members to attend, to support the resolution and to make a contribution by airing any views they may have. Business will be restricted to the special resolution but when the meeting closes, I shall be happy to chair a Q&A session, when Officers and Members of the Committee will respond to any queries.

We have also enclosed details of an offer for the advance payment of annual subscriptions. We consider this to be a major benefit to anyone who wishes to take part and is also beneficial to the golf club, compared to borrowing from the retail banks.

May I also direct you to the members' area of the club web site. On this link:

<http://www.clsgolfclub.co.uk/lottery/> you will find news of the club lottery and a further link to a standing order form. This can be used to set up a regular monthly payment for the lottery, the proceeds of which are ring-fenced for greens machinery and improvements to the clubhouse.

Chairman

On behalf of the Management Committee
